

The evaluation of applications for grant of Erasmus+ Student's has been completed which has been announced in January 2023 within the scope of the 2022 Project for Learning and Internship Activities.

02.03.2023

It was decided to support all candidates who meet the minimum requirements announced by Istanbul Kent University. Our students will be supported with grants for 4 months of their learning activities and 3 months of their internship activities. The list of students who have applied is presented below.

At the end of the objection period, our students will be informed about the departure procedures. For your process to be efficient, you must first examine the course programs at the host institution and tell us in which term (fall/spring) you would like to go. Do not neglect to talk to your [Erasmus Department Coordinator](#) when choosing the semester/courses you will take at the host institution and for the recognition of the courses at Istanbul Kent University.

Students selected within the scope of this announcement must complete their activities by 31 July 2024 at the latest.
